

LEGAL RESEARCH

THE COURSE

This course is designed to provide a refresher course for legal researchers as well as providing the inexperienced legal researcher with the knowledge and an understanding of the nature of materials associated with legal research. While giving some generalised background material it also will examine some of the legal publications in depth.

This course will cover sources including AustLII, LexisNexisAU, LBC Online, Westlaw and Comlaw. It will also look at specific resources such as citators and statute annotators as well as covering how to search cases and legislation.
