2005 PRIZE AWARDS CEREMONY

UTS:  
LAW

THINK.CHANGE.DO

Welcome to the 2005 UTS Law Faculty Prize Night where we celebrate the achievements of the top students from 2004. I would like to congratulate every prize winner and to thank the sponsors of our prizes for their generosity and commitment to recognition of the intellectual achievements of our students. A major part of our efforts are directed towards providing the highest quality legal education and we rely on the support of those of you outside the faculty to help us mark outstanding performance.

I have come to UTS as Dean of Law in 2005 after a university career as a teacher and researcher in intellectual property law and have long been involved with students. I know how important it is that we support and nurture excellence and my aim is to ensure that in future every UTS law subject has a prize for the top performer each year. We are grateful for the support of our existing sponsors and I look forward to your continued support.

Professor Jill McKeough  
Dean, Faculty of Law
